If any of your guests have special dietary needs, arrangements need to be made 7 days prior. We cannot guarantee special needs if we do not have enough time to prepare. Additional charges maybe added for special requests.

### **Supervision of Children**

All children must be supervised at all times. Children must stay in the banquet room and may not be running around the party. Children running around the banquet room are a potential accident. So for the safety of guests, children and wait staff, children need to remain seated while meals are being served. Children that become a problem and are not being sufficiently supervised will be asked to leave. Children must leave their shoes on through out the event. If you are intending to include several children, you might consider including a babysitter in your guest count to supervise children.

Our servers reserve the right to card and refuse anyone. All food and beverages will be supplied by Stadium Golf Club only. No alcohol is to be brought in to the bridal room that was not purchased through stadium. We do not supply music or a microphone for the ceremony. If you wish to have these items for your ceremony you must make the appropriate arrangements. In the case of bad weather and we cannot hold the ceremony outside, we will do the ceremony in the banquet room. Ceremony will be set up in front of the head table. Guests will sit at their assigned seats. We will remove ceremony items at the conclusion of the ceremony and before the reception starts.

### **Cocktail Hour in our Restaurant Area**

We suggest that you take advantage of our restaurant area for your cocktail hour. There is a \$250 room fee included and the restaurant area will be closed to the public. Because of this we ask that all cocktail hours begin no earlier than 3:00pm. This area over looks our beautiful golf course and patio. Your guests are also welcome to take food and drinks out on our patio area. This must be arranged at the time of booking. If your cocktail hour is set up in the restaurant, we will not allow guests into the banquet room until cocktail hour is over. The bar and restaurant will be closed an hour and a half before your reception so that we can clean and set up for your guests. This means that if your guests show up early there will be no accommodations for them until receptions starts. Smoking is allowed out on our patio area.
